NO FEAR HERE!

This year we are anticipating some amazing changes! Here's a snapshot of some changes we're implementing:

Updated marketing material, and newsletter format (but you already knew that!)

Having more presence in local communities, being proactive about getting the message out.

Launching our Job Prep. Training program to better re-assimilate our students into life after FHTC.

TESTIMONY!

I would like to thank everyone at Faith Home Teen Challenge.

First, it's a pleasure to partner with them to help bring restoration and healing.

Second, I really appreciate having the expertise of the men who come out to work around our church. They each have skill sets that fit the different need we have, as well as the encouraging attitudes they display.

Third, when Teen Challenge ministers at our church as a whole, it is a most inspirational time. The message and testimonies inspire and encourage.

I thank God for the Teen Challenge Ministry and all they do both physically and spiritually. It's the best in reciprocity, being a blessing and being blessed.

-Pastor Chris Grigson, Valley Christian Center, Ceres.

DIRECTOR'S DESK!

Each new year allows us to engage new opportunities and travel uncharted waters. I always look forward to a new adventure. 2018 will be my first new year at FHTC.

As you will be able to see, we have launched a new website, and we have a different look to our newsletter and other printed material. Our calendar of events will look different as well.

Our campus has been refreshed and the morale and spiritual growth of our staff and students is exciting.

One thing, however, remains constant. That is our love and passion for Jesus and our desire to see the Holy Spirit empower us all to live our lives and serve Him with all we have.

Let's see what He has in store for 2018!

TAKING BACK

WHAT DOES IT MEAN?

What does "Taking Back the Land" mean? As our theme for 2018, this means a great deal to us. Simply put, we are tired of the ground that the devil is gaining over the people within our 7 counties, so we are doing something about it!

We're are going to take back the land for Jesus Christ, and our vision is to put hope within reach of those struggling with life controlling issues within our 7 counties, one day at a time, one soul at a time!

THE LAND
