# NEW GOLD IN JAMESTOWN

In November of 2017, the words from Joshua 1:3 spoke very clearly to my heart: "I will give you every place you set your foot." The ministry of Adult & Teen Challenge has been in Northern California for over 30 years. But there were many places not even touched with the message of hope for those struggling with addiction.

After a meeting with Pastor Craig Andrus from Christian Heights Assembly of God in Sonora, it was decided to put the Adult & Teen Challenge foot in Jamestown, located in Tuolumne County. A contact office was opened in March of 2018. Prayer meetings were held, an Advisory Team was formed, and the Lord began to move throughout the community.

Prayer meetings, fundraisers, and work days began to be scheduled to get the word out to the community. A three bedroom modular is located on site. Christian Heights provided the material, and our men provided the skilled labor. We reached an agreement to pay monthly rent, utilities, and provide upkeep to the facilities. Preparing for students to reside in this 30-45 days short-term facility for men became our mission, knowing that after their stay in Jamestown, they would move to our men's facility in Ceres for 12-14 months.

Would we have students? Would we find staff? How would it all come together? We were walking totally by faith, but knowing this was the will of God we continued to move forward.

In June, a miracle happened. We received a grant to help with costs for 6 months from the Sonora Area Foundation through its supporting organization, the Irving J. Symons Foundation for Tuolumne County. The questions were answered and in the first week of December all staff were hired. Within a week we were at capacity with six students. The modular that was not livable is now beautiful. Furnishings, decorations, bedding, and food help to make a very inviting home...

*We were actually walking totally by faith, but knowing this was the will of God we continued to move forward.*

...And the journey has just begun! We believe we will reach more men, women, and families in 2020 because the Lord desires that none are lost. My prayer is that the Lord will touch your heart as you read this, and join us on the journey as we take back land the enemy has stolen. May God bless you.

CULTIVATING CERES  **427**

... And the journey continues onward for us in Ceres! Though we have been established here for over 30 years, we never cease to be thankful for everything that God has done and continues to do.

We want to take this opportunity to thank all of our donors, volunteers, prayer warriors, event sponsors, local pastors and churches, and community organizations that ceaselessly support us. It is through their support, commitment to Christ and desire to see lives transformed that all of this is possible. Below is an example from Christmas 2019:

# NEW LIFE IN LODI

... And the journey has just begun for us in Lodi! We are going strong in our contact office at Gravity Church.

Since its inception in 2018, we have had 30 interviews with prospective students, 7 new students have been transferred to our Ceres location, and we have plans for a short-term facility in Lodi that will house 10 students.

We have seen a 5-bedroom home that is available and are forming a plan to launch a short-term care facility there, much like the one we established in Jamestown. It is your prayers, financial backing, and volunteering that will make God's vision for Lodi become a reality. Would you join us on the journey to take back Lodi for Jesus Christ?

# TAKING MOKELUMNE HILL

... And the vision for the journey has taken us to Mokelumne Hill. We envision a long-term women's center that can initially house 6 women in 2020. This center will help women to overcome the vicious life-cycles of addiction. We have been blessed to receive a contact office, a 3-bedroom house and a \$25,000 gift to remodel it! Will you join us in the journey to take back Mokelumne Hill?
